To
The Chief General Manager Telecom
BSNL-AP Circle, Hyderabad

Respected Sir,

Sub :- Harassment & Brutal attack by GMTD, Mahabubnagar, AP circle to our union members- tangent action by the CGMT -Requested.

Ref :-Circle Secretaries team discussions held with the CGMT,HD dated 22-07-2016

In continuation of our circle Secretaries team along with the JAC members of Mahabubnagar took place on 22-07-2016, It is to state that the GMTD, Mahabubnagar **Sri P. Padmanabham, HR.No. 198604841** is habit of harassing our staff members by adopting in various methods. He is a man of rude mentality. He always used to use foul language with the staff members. Officers are afraid to joint at Mahabubnagar because of rude mentality this GMTD. The posted officers putting on long leave for modification of orders even though it is adjacent to the state head quarters of AP circle ie Hyderabad.

In development and other parameters Mahabaubnagar SSA is in 23 or 22 Number out of 23 SSAs of the circle. He will not allow the executives and non executives to work.

On 19-07-2016 he called Sri Y. Arun kumar, Junior EGINEER, **he happened to be our branch secretary of our GMTD Office, Mahabubnagar** leaving all the hierarchy of JTO, SDE, AGM and DGM and started scolding, abusing in a untold un parliamentary language. At last unbearable situation the official is trying to come out of his chamber, then the GMTD in a aggressive mood ran away behind him to beat him. Out side his chamber our **DS Com. P.Anjaneyulu, and , JTO, Patabhi** stopped him and conveyance him not to do such things and requested to behave like a GM only.

Our Branch Secretary Com. Y. Arun Kumar shocked, mentally disturbed and caused for mental agony. He attempt for suicide two times. **Our DS Com. P.Anjaneyulu saved him and accompanied him for two days.** In this horrible situation **all executive and non executive employees unions/Associations of Mahabubnagar formed JAC and issued trade union and discussed the prevailing situation in toto with the CGM.**

We all Circle Secretaries team along with MBN SSA unions requested the you **to surrender the GMTD,MBN** to the DOT as done in case of Sri Raghavendra Rao of the then GM EG Dt.,in earlier occasion in view of seriousness of the SSA. But the you decided to given an opportunity to the GM MBN and counseling has to be given him. Where as our circle level leaders up hold the view that there will not any change in his attitude because similar counseling had been given by the previous two CGMs but there is no use,so tangent action is required.

There fore it is re iterated that ultimate sufferer is our member, he committed suicide two times, if any thing as happened family members will put to irrecoverable loss no body will recoup. Thus this union requested to take immediate steps to surrender him to the DOT there by other any SSA will not suffer. His previous history also not so good. Hence requested to tangent action in this regard,

Thanking You,

Yours Sincerely
